

Notes from Project Partners Meeting: 2/10/10

Present:

- Sandy Mason
- Tim Adams
- Chris Lundberg
- Cari Golden
- Mike O'Neill

Review of feedback and events

- Virtual tour of Victor updates and evaluation forms
- Outcomes and plans

Where we're headed (next steps)

- Outline of next steps and calendar
- Survey to be distributed by mail and email
- Preview of plans for values definition story circles
- Review of status of GIS proposal and plans to work with Sunrise Engineering.
 - Tim asks how much GIS data we need to make the Community Viz work, Dahvi will request this info from Doug Walker of Placeways.
- Update on CIP involvement and process – Envision Victor involved in helping to write the RFP and pick the consultant to be sure that they will be comfortable working with our process.

Report on Cat

- Cat did a great job, but she is unavailable to work for the next several months.
- Storysharing will continue through values definition work and partnerships with other orgs who want to use storytelling.

Next Meeting: Wed. March 17
