

Victor Community Partnership

Draft mission statement: *The Victor Community Partnership exists to fuel excitement and engagement in the future of Victor by increasing citizen access to community plans and projects, enabling collaboration between forward-looking organizations and businesses, and promoting economic development in our city.*

Draft Objectives:

- 1. Provide a space for the City and local non-profits to showcase their forward-looking, Victor-based projects to encourage feedback and citizen involvement;*
- 2. Work with the Teton Valley Economic Development Council to encourage small business development and provide resources to local businesses to help them thrive in Victor;*
- 3. Enhance awareness and excitement about the future of Victor to encourage increased investment in local businesses;*
- 4. Build a forum for City leaders, local organizations, and local businesses to discuss opportunities for facilitating economic development, collaborate on creating a vibrant future for our City, and "talk story";*
- 5. Support mentorship opportunities between existing business owners and future business owners in Victor; and*
- 6. Provide an attractive, central, and comfortable space for the City and local non-profits to use for meetings, gatherings, and creating an exciting presence at Main Street events.*

Draft Membership Tiers and Benefits:
